Earn The Trillion Market As You Can

万 亿 市 场 随 心 赚

**We have seen various intelligent unmanned self-service machines**

**Discover new business opportunities to make money!**

## 01 / Business Benefits

- The overall market sales in 2018-2023 is about **40 Trillion**
- The future market size will exceed **85 Trillion**
  - \* Our products occupy the **business opportunities** in the two major economic sectors of **young people's and parent-child** !
  - \* Among the main consumers in the market, young people aged 18-35 and consumption of parent-child activities occupy the top of the pyramid, and emotional impulses determine their consumption desires.
  - \* In the next 3-5 years, local entertainment, entertainment at home, and entertainment in shopping malls will be the mainstream of the domestic consumer economy; whether it is shopping malls, organizers of various recreational activities, or merchants, they all need to realize value through projects with good traffic-generating effects, safer operations, and faster revenue generation.

**Business Benefits | Achieve safe、 fast and sustainable growth in profits !**

Earn The Trillion Market As You Can

# Future Market • Huge Potential

New retail business  
opportunity penetration rate

**90%**

Average  
replacement period

**3 ~ 5 Months**

**New retail economy, a trillion market is waiting for you!**

**Unlimited business opportunities in new retail + Personalization and self-customization subvert the traditional market**

### Low Investment, High Profit, Fast Realization

The profit can be as high as **10 times**, and the capital can be easily recovered in about **1~3 months**.

Per Machine	Domestic-500 PCS Per Month		Overseas-600 PCS Per Month	
Average order value	¥ 25/Piece	¥ 35/Piece	\$12/Piece	\$15/Piece
Monthly income	¥ 12500	¥ 17500	\$7200	\$9000
Materials + other costs	¥ 2300	¥ 3000	\$1345	\$1345
Monthly gross profit	¥ 10200	¥ 14500	\$5855	\$7655
Annual gross profit	¥ 3723000	¥ 5292500	\$70260	\$91860

\*\*This income analysis is for reference only. The cost includes electricity and consumables. The final sales data shall be subject to actual conditions. Differences may occur due to factors such as rental/labor costs.

# Following the cotton candy machine, another masterpiece! Global investable, low cost, high profit!

## Open a shop in 1 m<sup>2</sup>

Just 1m<sup>2</sup> needed, easily adaptable to various locations, no need to hire staff!

## Wide Audience Low Risk

One machine, multiple business models, and you can also rent out advertising space to achieve diversified income!

## No Threshold Easy To Operate

No certification threshold required, wide audience, low trial and error cost, easy to start a business.

## Low Investment High Return

Low cost investment, high profit, quick return on investment. Start a business without worries!

## Simple Maintenance

The machine has a low failure rate, no need for daily cleaning. Saves your time and effort, maximize your profits!

## Smart Management

A new unattended business model is coming! It can be deployed globally and used by everyone, making business everywhere!

# 03/ PRODUCT INTRODUCTION

## Self-Service Mobile Phone Case Printing Vending Machine

\* New retail economy, unlimited business opportunities.

This product is an intelligent unmanned self-service machine. The machine provides a fully automatic mobile phone case DIY painting and printing solution. Customers can customize their mobile phone cases by scanning the code on site. The customization of the mobile phone case is completed in 3 minutes. The mobile phone case is formed in one piece and can be picked up on site. The machine can be equipped with a shared power bank and an advertising display screen.

## 03/Product Features

### Phone Case Printing Vending Machine

**Maximum Model Inventory:** 96 Models.

**Maximum Inventory:** 408PCS.

**Operation Method:** Scan Code/Touch Screen.

Support DIY customization of family portraits, couple photos, landscape photos, pet photos, selfies, etc.

**Mobile Phone Case:** With magnetic mobile phone case optional.

**System:** Can view business flow, orders, and set the model and quantity of mobile phones in the goods channel.

**Remote Management:** Support remote startup and remote operation.

**Nozzle Cleaning:** Can set automatic cleaning.

Support Video Advertising (Remote delivery, cache playback).

Can place 1 shared power bank (8 holes).

**Applicable Scenarios:** Shopping Malls, Cinemas, Pedestrian Streets, Supermarket Entrances, Mobile Business Halls, Service Areas, Scenic Spots, University Towns, Business Districts, Large Communities, Industrial Parks.

## Self Service Photo Booth

\* New retail economy, unlimited business opportunities.  
This product is an intelligent unmanned self-service photo taking device. The device provides a fully automatic unmanned self-service photo taking/ID photo solution. It is like a magical magic box. With just a light press, you can take a perfect ID photo without manual labor. Whether you are applying for a passport or taking various exams, with it, you can easily have a satisfactory ID photo. The self-service unmanned ID camera becomes your money-making tool!

## 03/Product Features

### Self Service Photo Booth

It is mainly based on AI beauty intelligent shooting system, an intelligent all-in-one machine integrating high-definition and beauty, combined with the professional operation system guidance of the whole life cycle to enter the market, big head stickers, ID photos, light portraits.

#### **Eight functions are optional:**

Festival topics, IP group photos, ID photos, portraits, mobile phone printing, multi-grid photography, classic eight-grid.

#### **Applicable Scenarios:**

Shopping Malls, Cinemas, Certificate Processing Halls, Mobile Business Halls, Service Areas, Scenic Spots, University Towns, Business Districts, Large Communities, Industrial Parks.

04/ CORPORATE  
INTRODUCTION

## Honesty·Innovation·Win-Win Situation

### **Chuanbo Technology in China Rooted in China's fully automatic retail, entertainment machine industry center of Guangdong Panyu**

Guangzhou Chuanbo Information Technology Co., LTD. (hereinafter referred to as: Chuanbo Technology) was formally established in 2015, is a leading intelligent commercial equipment, production, sales and operation, has passed ISO9001 quality management system certification, international CE / SGS/ RoHs certification, China quality CCC / CQC certification, etc.; is committed to provide superior products for the global market, let more consumers feel the beauty of technology for life.

### ▼ **Focus on smart new retail equipment manufacturers**

With years of accumulation and precipitation in the technology industry, the company focuses on more intelligent and more segmented commercial automation equipment, serving an integrated enterprise. Independent developed more than 100 terminal and program software, background data management software, various kinds of vending machine operation software and equipment to produce different project products, with more than 20 "appearance patent", "utility model patent" and other technical products; in 2020 has won the "technology little giant" high-tech cultivation enterprise. In 2021, it was awarded AAA China Integrity Entrepreneur, AAA Integrity Management Demonstration Unit, China Integrity supplier credit Enterprise...and so on.

### 1. Warranty Service

The whole machine is under warranty for one year and has lifetime maintenance. Within one hour after the customer reports the problem, the after-sales engineer will respond remotely to identify the problem and provide guidance on how to solve it.

### 2. Service Timeliness

Replacement parts will be dispatched within 24 hours.

### 3. Professional Guidance

After-sales training plan: After installation and commissioning, organize equipment management and operation personnel to conduct remote teaching and training (including machine delivery principles, parameter settings, practical operations and daily maintenance, daily operation management, etc.) until the equipment management personnel are fully familiar with it.

### 4. One-to-one Service

After the machine arrives at the destination, contact the after-sales specialist within 24 hours to remotely guide the installation and commissioning of the machine.

### 5. Professional After-sales Service

If you encounter after-sales problems that cannot be solved by telephone guidance, we will send after-sales engineers to provide on-site service if necessary.

### 6. Worry-free Service

At the same time, the machine operator can also regularly organize key operating personnel to come to our company for more systematic learning and training, and our company will give lectures and systematic explanations at the assembly site.

## 04/ Company Strength

**Our cloud service platform has currently connected to tens of thousands of retail terminals and is running stably online on several servers.**

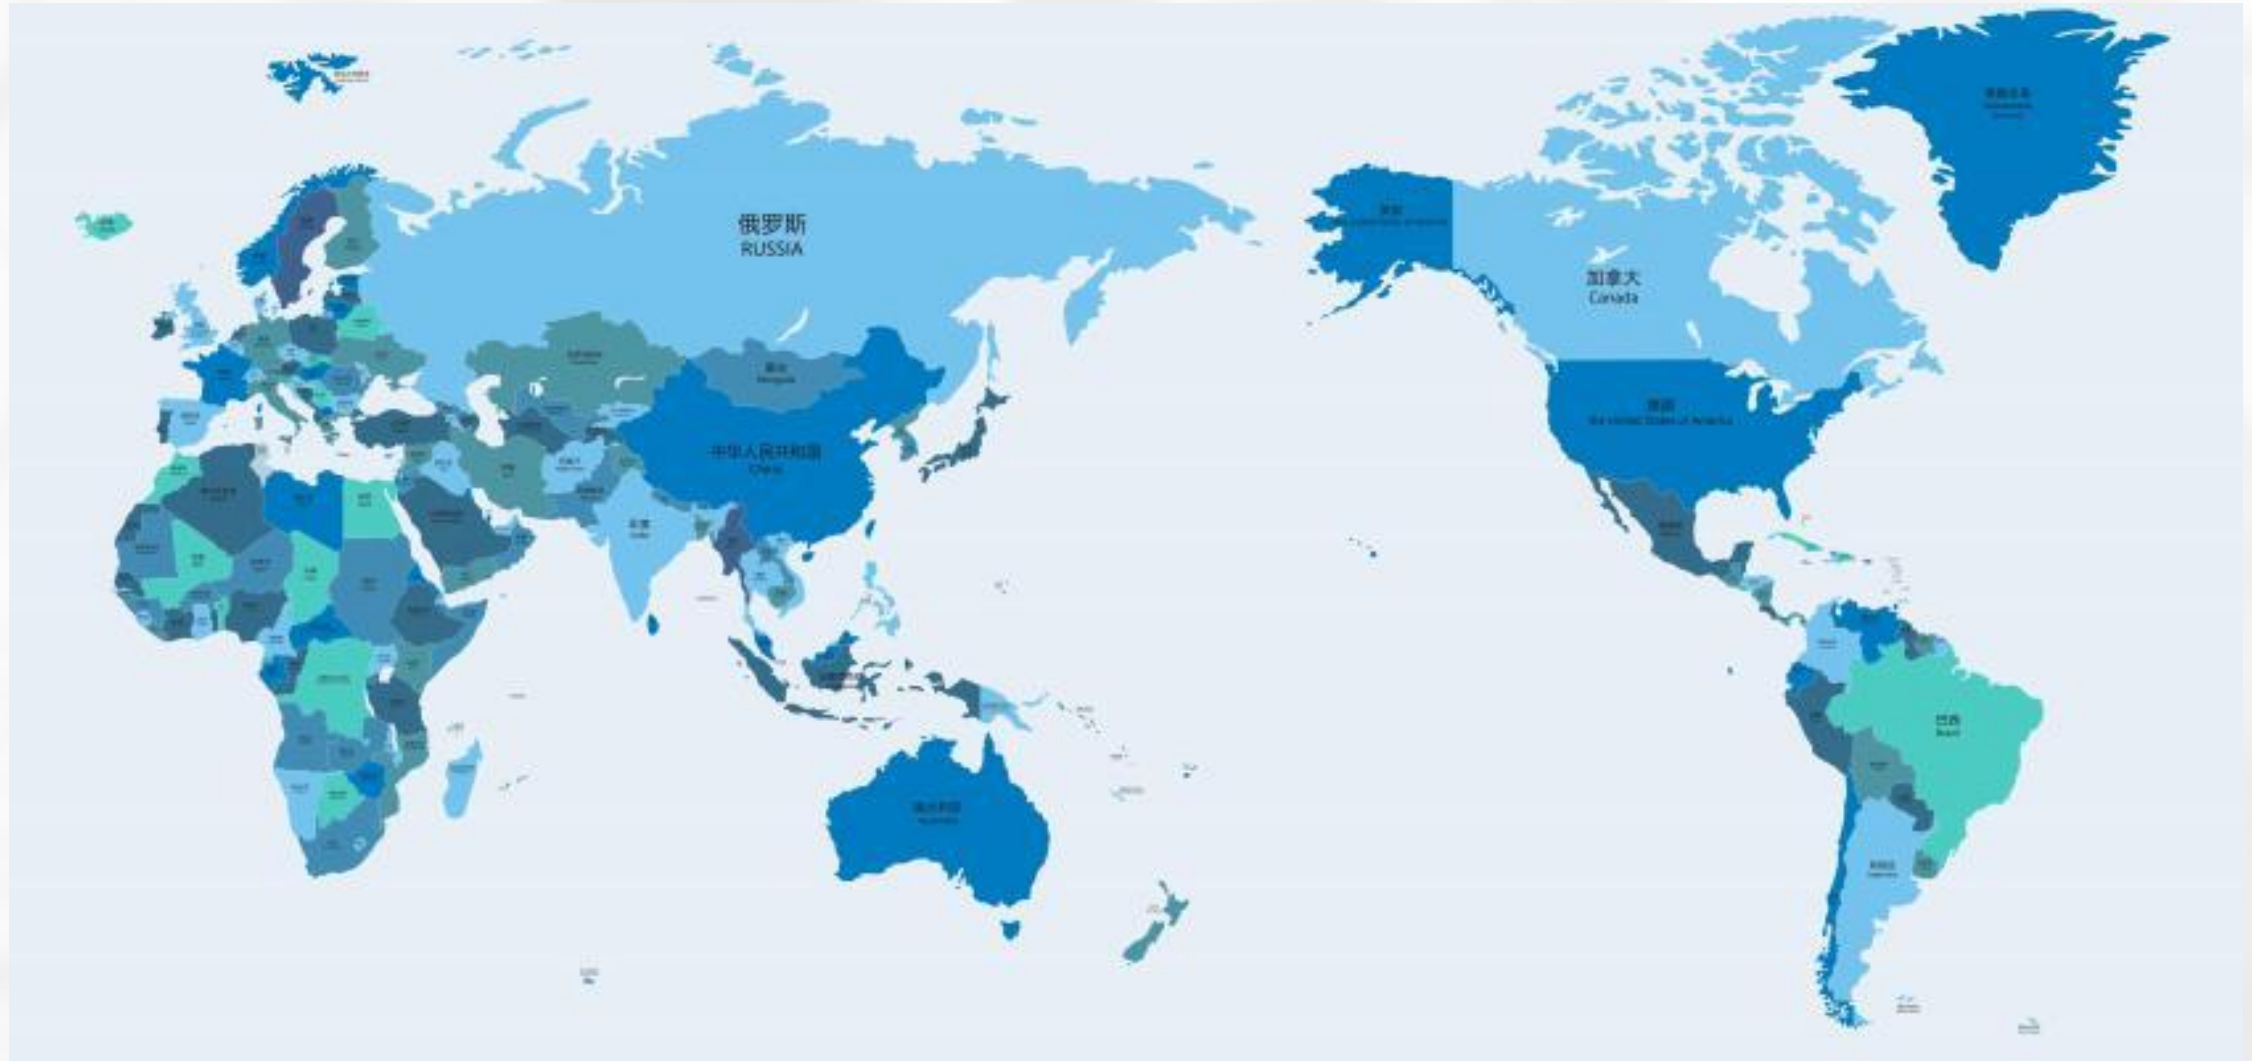

**The largest server has nearly 10,000 machines running online at the same time.**

**The annual transaction volume is hundreds of millions of yuan, with nearly hundreds of millions of transactions per year and nearly 200 million people served.**

## 04/Company Strength

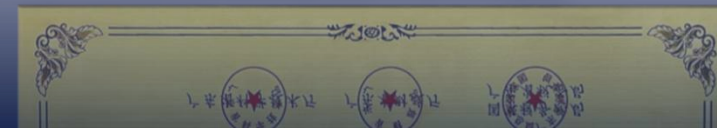

Professional after-sales staff one-on-one service,  
door-to-door service is available

### CERTIFICATE

**ATTESTATION**

**CERTIFICATE OF MACHINERY DIRECTIVE**

**2006/42/EC Machinery Directive** has been taken an reference for three products:  
 Guangzhou Chuanbo Information Technology Co., Ltd.

**Company Name:** Guangzhou Chuanbo Information Technology Co., Ltd.

**Company Address:** Building 1, No. 90, North Section of shan Road, Nanxin, Parany, Guangzhou, Guangdong, China

**Substantive Object and Address:** Machinery Directive 2006/42/EC

**Substantive Standards:** BS EN 60335-1:2014+A11:2014+A12:2014+A13:2014+A14:2014+A15:2014+A16:2015  
 2019-A2:2019-A19:2021-A16:2021  
 BS EN 60335-2-10:2014+A11:2014+A12:2014+A13:2014+A14:2014+A15:2014+A16:2015  
 BS EN 60335-2-109

**Product Name:** cotton candy machine

**Report No and Date:** L2NA20081028-01

**Product Brand/Model Type:** CB20E, CB20E, CB20E, CB20E, CB20E, CB20E, CB20E

**Certificate Number:** M-2008-2008-01  
**Issue Date:** 2008-10-28  
**Expiry Date:** 2011-10-28

**UK CA**  
 CTCF Testing Group (Guangzhou) Co., Ltd.  
 400-011 Aotian 11, Longyuan Road, Huanan Industrial Park, No. 21, Beifeng Road, Nanhai City, Nanhai District, Foshan City, Guangdong Province, China  
 Certificate Number: Tel: 400-011-0000, Fax: 0757-8533-1000

### VERIFICATION OF CONFORMITY

**Certificate No.:** B-524104202  
**Class ID:** 00CA76

**Holder:** Guangzhou chuanbo information technology co., ltd  
 Building 1, No.90, North Section of shan Road, Kangshu, Nanxin, Parany, Guangzhou

**Manufacturer:** Same as Holder

**Product Name:** Fully automatic cotton candy machine

**Model Designation:** CB20E, CB20E, CB20E, CB20E, CB20E, CB20E, CB20E

**Technical Data:** AC100V-1000VA/50/60Hz

**Issued By:** Beide (Shenzhen) Product Service Limited

**Standards:** BS EN 60335-1:2014+A11:2014+A12:2014+A13:2014+A14:2014+A15:2014+A16:2015  
 2019-A2:2019-A19:2021-A16:2021  
 BS EN 60335-2-10:2014+A11:2014+A12:2014+A13:2014+A14:2014+A15:2014+A16:2015  
 BS EN 60335-2-109

The above products has been tested by us with the listed standards and found in compliance with the Japan Electrical Appliance and Material Safety Law. It is possible to use PSE marking to demonstrate the compliance with the safety Directive.

**Date of issue:** 2024-10-23  
**Expiry date:** 2027-10-23

### Certificate of Compliance

**Certificate No.:** CTCFAP31341220442848AC  
**Applicant:** Guangzhou chuanbo information technology co., ltd  
 Building 1, No.90, North Section of shan Road, Kangshu, Nanxin, Parany, Guangzhou  
**Manufacturer:** Guangzhou chuanbo information technology co., ltd  
 Building 1, No.90, North Section of shan Road, Kangshu, Nanxin, Parany, Guangzhou  
**Product Name:** Winding machine  
**Trade Name:** /  
**Main Test Model:** SMJ-60E  
**Additional models:** SMJ-60E, SMJ-60E, SMJ-60E, SMJ-10E, SMJ-10E, SMJ-20E, SMJ-20E, SMJ-10E, SMJ-10E, SMJ-10E

**Test Standard:** EN 60335-1:2014+A11:2014+A12:2014+A13:2014+A14:2014+A15:2014+A16:2015  
 2019-A2:2019-A19:2021-A16:2021  
 EN 60335-2-75:2019+A11:2019+A12:2019+A13:2019+A14:2019+A15:2019+A16:2020  
 EN 60335-2-88  
**As shown in the Test Report No.:** CTCFAP31341220442848AC

The EUT described above has been tested by us with the listed standards and found in compliance with the Council LVD Directive 2014/53/EU. It is possible to use CE marking to demonstrate the compliance with the LVD Directive.

The certificate applies to the listed sample above mentioned only and shall not imply an assessment of the whole production.

**UK CA**  
 CTCF Testing Group (Guangzhou) Co., Ltd.  
 400-011 Aotian 11, Longyuan Road, Huanan Industrial Park, No. 21, Beifeng Road, Nanhai City, Nanhai District, Foshan City, Guangdong Province, China  
 Certificate Number: Tel: 400-011-0000, Fax: 0757-8533-1000

### Certificate Of Compliance

**Test Safety Testing**

**Test Standard:** BS EN 60950-1:2005  
 BS EN 60950-2:2009

**As shown in the Test Report No.:** 2023-01-01

The EUT described above has been tested by us and found in compliance with the Council LVD Directive 2016 No. 1151 and CE marking in accordance with the compliance with the LVD Directive.

The certificate applies to the listed sample above mentioned only and shall not imply an assessment of the whole production. It is only valid in connection with the test report number: 2023-01-01-001

**UK CA**
